Dated 25.10.2024

Subject: Minutes of Meeting held under the chairmanship of Sr. DDG, NCCS with the OEMs to discuss issues faced by them in application for various products under MTCTE for security certification -reg.

An online meeting was held with the OEMs on 24-Oct-2024 16:00 hrs under the chairmanship of Sr. DDG, NCCS for a review of applications to be filed by applicants for security certification of IP Router and Wi-Fi CPE products. The list of participants is attached as Annexure-A.

2. At the outset DDG(SC&HQ), NCCS welcomed all the participants and urged them again to file all the applications for security certification which the OEMs intend to for availing the benefit of pro-tem certificate and also informed them that no extension of due date for pro-tem certificate application has been envisaged. Further, the applicants were informed about the clarification dated 24.10.2024 issued by the NCCS office regarding applying for security certification for products under various categories.

3. The following action points emerged during the meeting:

- The OEMs were advised to refer to the NCCS website for clarifications already issued regarding models grouping and applying under various categories.
- It was clarified that there would be no extension of date in applying for pro-tem certificate. However, some additional time may be considered, if requested by the applicant, for submission of self-declaration on compliance to ITSAR clauses, in case of cloud-based IP Routers.
- The OEMs who had already applied for security certificate before the notification of pro-tem certificate and want their existing applications to be converted to pro-tem certificate may approach NCCS for uploading of Declaration documents.
- The OEMs/applicants were asked to complete their applications before the due date and were assured of continuous support from NCCS office in the application process in application filing process on Saturday and Sunday.
- OEMs were requested to provide an indicative number of applications that they would be filing by the 30.10.2024 so as to decide appropriate resource allocation for processing of the applications.

4. The meeting ended with thanks to the Chair.

This issues with approval of competent authority.
