Dated: 02 February, 2026

Notice for inviting Stakeholder's Comments

Subject: Seeking inputs/suggestions on MTCTE procedure v3.0 (TEC 93009:2024) - reg.

Telecommunication Engineering Centre (TEC) under Department of Telecommunications is an Appropriate Authority for the notification of standards, conformity assessment and certification of the Telecommunication equipment.

2. The Mandatory Testing and Certification of Telecommunication equipment (MTCTE) is being governed by the MTCTE Procedure. The MTCTE procedure v3.0 (TEC 93009:2024) presently in force can be downloaded from the link: https://www.mtcte.tec.gov.in/filedownload?name=downloadDocument_MTCTEProcedure.pdf.

3. TEC proposes to review the MTCTE procedure v3.0 [TEC 93009:2024] in light of the Telecommunications (Framework to Notify Standards, Conformity Assessment and Certification) Rules, 2025 notified on 16.05.2025.

4. Accordingly, all the stakeholders are requested to provide inputs/suggestions on the MTCTE procedure by filling up the online form available on the MTCTE website <https://mtcte.tec.gov.in/mtcteSuggestionForm> within 30 days of the date of issue of this notice.

(Rakesh Goyal)
Director (TC-II)

To,
All Stakeholders

Copy to:

1. Director(IT), DoT HQ – for uploading on the DoT website
2. AD(IT) / AD(TC), TEC – for uploading on the TEC & MTCTE website
