**NOTIFICATION**

**Subject: Security Certification for Highly Specialized Equipment– Reg.**

The undersigned is directed to convey the following regarding security certification for Highly Specialized Equipment (HSE):

1. The criteria for classifying the equipment as having specialised test requirement for security certification will be same as that specified by TEC from time to time. The latest notification of TEC in this regard is No. 6-6/2024-TC/TEC dated 02.06.2025.
2. In case of HSE equipment where provisional ER certificate is already issued by TEC, applicant can apply for provisional security certificate through upgrade ER to ER+ITSAR flow in the MTCTE portal and selecting certificate type as provisional.
3. In case of where both ER provisional and ITSAR provisional certificate for HSE device is required, the applicant can submit their application under category ER+ITSAR fresh application for provisional certificate.
4. In both the above cases, the applicant needs to submit a self-declaration of conformity (SDoC) to the applicable ITSAR in the MTCTE portal. The SDoC format will be available in the portal itself.
5. The Security Report Evaluation fee will not be charged and the validity of provisional certificate will be of 2 years or balance validity of ER provisional certificate, whichever is lesser.

This issues with the approval of Sr. DDG, NCCS.

Hindi version will follow.
